

## Stairlift Installed

On 7 June 2011, the Sanbornton Historical Society installed a stairlift, at a cost of \$3,350, to provide handicapped access to the upstairs in the Lane Tavern.

Laconia Savings generously donated \$2,000 toward this project. The SHS took the remaining \$1,350 from “rainy day funds” and has started a donation campaign to reimburse those funds. To date, we have raised \$250 of the \$1,350.

Future plans call for a wheelchair ramp on the south side of the Lane Tavern.
